

2026 spring & summer novelties

NEW! Future Gel

ACRYLGEL
ANTIQUÉ GLOW, SUGAR FROST

The BrillBird Future Gel collection is expanding with two new, elegant shades that bring a world of delicate shine and refined sparkle to the nails.

The Antique Glow, with its champagne nude tone, evokes timeless elegance with a soft, antique shimmer, while the Sugar Frost shade offers a subtle, sparkling radiance that gives the nails a candy-like glow. These two shades are perfect for those who want to enhance natural elegance with a touch of special brilliance.

The BrillBird Future Gel – Polygel Acrylic Gel is an innovative nail enhancement material that combines the best properties of acrylic and gel. It does not run, does not cause a burning sensation, and can be shaped for an unlimited time, allowing for easy and precise work.

It cures quickly under LED and UV/LED lamps. For application, it is recommended to use an acrylic brush dipped in Future Forming Solution.

When used as part of the Future Gel system, it ensures a perfect end result.

Curing time:

UV lamp: 2–3 minutes

LED lamp: 1–2 minutes

Combined UV/LED lamp: 1 minute

(2 minutes for larger amounts of material)

NEW! Fiber Base

FIBERGLASS BASE GEL

Our Fiber Base range is a fiberglass-infused strengthening base gel that provides long-lasting adhesion and a stable foundation. It is now available in two shades: Clear and Rose. Thanks to its HEMA-free formula, it is a gentle choice while effectively reinforcing the natural nail plate. Its medium viscosity and self-leveling texture make it easy to apply. It offers a flexible yet strong hold, smooths the nail surface, and is ideal for nail strengthening as well as small extensions. It is soak-off, ensuring easy removal. It is also a perfect choice as a base layer for gel polish, providing a durable and stable foundation for subsequent layers.

Curing time:

UV lamp: 2–3 minutes

LED lamp: 1–2 minutes (depending on lamp strength)

NEW! Smart X Duo Tips

ALMOND

Reusable sandwich dual tip.

A professional, reusable sandwich dual tip set designed for fast and precise nail building with gel, acrylic, or acrylic.

Thanks to its innovative design, the tip can be used both from below and above, ensuring even product distribution and precise shaping during application. Its transparent structure supports perfect curing and accurate product placement, while the natural curve delivers an aesthetically pleasing, salon-quality result.

By using this system, filing time can be significantly reduced, making nail building faster and more efficient.

The box contains 240 almond-shaped tips in multiple sizes, allowing you to easily find the perfect fit for any nail type.

1 box (240 pcs)

NEW! Ever BOND Base

**THICK, SELF-LEVELING
BASE GEL**

The Ever Bond Base is a base gel that ensures strong adhesion to the natural nail plate. It helps strengthen and smooth the nail surface while protecting against breakage and cracking, making it an ideal choice even for damaged or bitten nails. Thanks to its soak-off formula and thick yet self-leveling consistency, it is easy to work with. Its strong yet flexible formula enhances gel polish adhesion, providing a durable foundation for long-lasting manicures.

Curing time:

UV lamp: 2–3 minutes

LED lamp: 1–2 minutes (depending on lamp power)

8ml
15ml

NEW! Ever GLOSS Top

HIGH-SHINE TOP GEL

The Ever Gloss Top is a medium-viscosity top gel that spreads easily and provides smooth, even coverage. Thanks to its no-wipe formula, it leaves no sticky residue after curing.

It delivers a long-lasting, high-shine finish while forming a durable, wear-resistant protective layer on the nails. It helps preserve the beauty of colors and nail art, keeping the manicure glossy and vibrant for longer.

Curing time:

UV lamp: 2–3 minutes

LED lamp: 1–2 minutes (depending on lamp power)

8ml
15ml

NEW! Ever MATT Top

**VELVET MATTE TOP
GEL**

The Ever Matte Top is a no-wipe, velvet-effect matte top gel that gives the nails a deep matte finish. Thanks to its special formula, it does not become shiny over time.

It is flexible and self-leveling, ensuring smooth, even coverage without leaving a patchy effect on the surface. It provides long-lasting wear and resistance to everyday use.

Its soak-off formula allows for easy removal.

Curing time:

UV lamp: 2–3 minutes

LED lamp: 1–2 minutes (depending on lamp power)

8ml
15ml

NEW! Blend Gel

PAINTING GEL PALETTE

The Blend Gel Painting Gel is a highly pigmented, creamy-textured art gel that comes in a practical palette, making all colors easily accessible during nail art application.

Thanks to its thick, solid cream texture, the product does not run, allowing for precise, detailed designs and accurate decoration. It is an ideal choice for hand painting, ombré effects, stamping, shading, and various nail art techniques.

The colors can be easily mixed and combined, enabling the creation of unique shades and creative designs. Its high pigment content ensures vibrant, full-coverage colors on any base.

The painting gel is no-wipe, leaving a clean, glossy surface immediately after curing.

Curing time:

UV lamp: 3–4 minutes

LED lamp: 2–3 minutes (depending on lamp power)

BRILLBIRD

NEW! Hypnotic gel&lac

2026 SPRING / SUMMER TREND COLORS

The collection introduces four radiant, delicately shimmering shades that come to life on the nails with an elegant shimmer effect. The soft interplay of purple, pink, peach, and iridescent tones creates a unique glow with every movement, while maintaining a clean and sophisticated look. The shades complement each other harmoniously, creating a romantic, fresh, and modern effect—making them the perfect choice for those who prefer subtle sparkle.

NEW! Fairy Whisper

HYPNOTIC GEL&LAC KIT

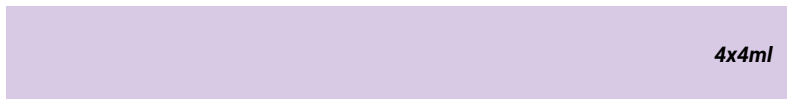

The Fairy Whisper Collection brings the soft, magical atmosphere of fairy tales to life in four delicately shimmering shades. Purple, pink, peach, and iridescent tones glow with a silky shimmer, as if a gentle fairy whisper comes alive on the nails, creating a unique play of light with every movement. An elegant, airy, and dreamy collection that captures the perfect harmony of subtle sparkle and romantic colors.

NEW! Iconic Colors

HYPNOTIC GEL&LAC KIT

The Iconic Colors Kit is a curated selection of BrillBird's most popular, client-favorite shades—colors that keep returning to salons time and time again. This collection has become iconic for a reason: each shade has already proven itself and is guaranteed to become a favorite among your clients. It represents the perfect combination of reliability and style—the very best in one place, so you don't have to choose.

NEW! Cat Eye Mythic

GEL&LAC

Step into an enchanted, fairy-inspired world where light and colors continuously shift like a mystical aura. The Cat Eye Mythic Collection represents the new generation of magnetic gel polishes—light as air, with a glass-like translucent effect that comes to life with every movement.

Thanks to its transparent base, it creates a soft, ethereal glow, while applied over a white, cover, or milky base, the colors become richer and even more magical—as if the lights of a fairy garden were reflected on the nails.

A new dimension of magnetic magic

NEW! Shape Gel

3D SCULPTING GEL

The Shape Gel Sculpting Gel is a thick, shape-retaining art gel, ideal for creating unique 3D designs. It is available in three enchanting shades: Golden Hour, Fairy Kiss, and Late Night Love.

Thanks to its consistency, it is easy to shape and, after curing, holds its form securely. It can be used freehand, with gloves, or with a silicone brush.

BB Tip:

For creating fine details, a cleanser can be used to soften the material and allow for more precise sculpting. After curing, the surface should be cleansed, then sealed with a top gel for a long-lasting, glossy finish.

Curing time:

UV lamp: 2–3 minutes

LED lamp: 1–2 minutes (depending on lamp power)

GOLDEN HOUR

FAIRY KISS

LATE NIGHT LOVE

NEW! Silicone brush

DOUBLE-ENDED SILICONE BRUSH

The double-ended silicone brush is the perfect accessory for working with Shape Gel sculpting gel, helping to achieve fast and precise shaping. The flexible silicone tip on one end allows for easy spreading and fine adjustments of the gel, while the metal-coated end provides greater control and stability for more precise work.

BB-23

NEW! Stickers

The collection's self-adhesive nail stickers bring a fresh, nature-inspired touch to your nails. Botanical leaves, delicate floral motifs, and playful citrus elements offer versatile options for creating elegant, romantic, or fun nail art designs.

Thanks to their self-adhesive design, they are quick and easy to use—simply place the chosen pattern onto the nail, then seal with a top coat for a long-lasting and eye-catching result. An ideal choice for those who love natural, fresh-looking nail decorations.

NEW! Drill Bits

Diamond Drill Bit – Ball (Red)

The ball-shaped diamond drill bit is ideal for fine cleaning around the nail, especially in the cuticle and surrounding skin area. Two-handed.

Carbide Drill Bit – Rounded (Blue)

The rounded carbide drill bit is medium strength, designed for left-handed use, and is ideal for removing gel, gel polish, and acrylic.

Diamond Drill Bit – Flame (Blue)

The flame-shaped diamond drill bit is medium strength and ideal for precise cleaning around the nail and cuticle area. Two-handed.

Carbide Drill Bit – Cone (Blue)

The cone-shaped carbide drill bit is medium strength and ideal for removing and shaping gel, gel polish, and acrylic. Two-handed.

Diamond Drill Bit – Sharp Drop (Blue)

The Sharp Drop diamond drill bit is medium strength, featuring a pointed tip designed for fine detailing and accessing hard-to-reach areas. Two-handed.

Carbide Drill Bit – Cone (Green)

The cone-shaped carbide drill bit is coarse strength and ideal for the fast removal of acrylic, gel, gel polish, and acrylic. Two-handed.

Diamond Drill Bit – Double Flame

The flame-shaped diamond drill bit is extra fine and gently cleans the skin around the nail and the cuticle area.

Diamond Drill Bit – Sharp Drop (Red)

The Sharp Drop diamond drill bit is fine grit and features a pointed tip, allowing for precise work in hard-to-reach areas. Two-handed.

NEW!

Hand & Foot Care Creams & Perfume Oils

White Jasmine Essence Care Collection

White Jasmine Essence is a refined and elegant fragrance composition, where floral and softly sensual notes meet in perfect harmony.

The opening reveals fresh, fruity tones of bergamot and cassis, enhanced by the delicate floral elegance of rose and neroli.

At the heart of the fragrance, the rich and feminine character of jasmine unfolds, completed by the warm, sensual base of smoky musk.

The result is a deep, elegant, and long-lasting scent experience.

Tropical Élixir Care Product Line

FROM MAY!

Tropical Élixir is a true tropical fragrance experience, born from the harmonious blend of sunlit fruits and soft floral notes.

The opening features sweet banana and juicy pear, enhanced by the fresh citrus brightness of orange, lemon, and lime, as well as the creamy richness of coconut.

The fragrance is completed by the delicate floral touch of jasmine, along with a warm, velvety base of musk and vanilla, giving the composition a long-lasting and sensual character.

Tropical Élixir is like a fragrant journey to a sun-drenched exotic island.

Nectarine Lumière Care Product Line

The scent of Nectarine Lumière is a fresh, fruity, and vibrant composition that evokes the light, radiant glow of sun-kissed fruits. The opening reveals juicy, citrus-fresh notes of bergamot, mandarin, nectarine, and peach, creating a lively and energetic mood. The composition is completed by the delicate floral touches of lavender and violet, along with the refreshing crispness of spearmint, giving the fragrance a light, clean, and invigorating character. Nectarine Lumière is a radiant, fruitfully fresh fragrance experience that brings back the carefree feeling of summer with every use.

Ocean Lily Care Product Line

FROM MAY!

The scent of Ocean Lily is a fresh, marine-inspired composition that is at once crisp, floral, and subtly elegant.

The first impression is defined by refreshing notes of coconut water, pink Himalayan salt, lime, lotus, rose, and sage leaf, made even more vibrant by the sparkling citrus brightness of lemon and grapefruit essential oils. As the fragrance unfolds, soft floral base notes emerge—sea shell, orange blossom, magnolia, and jasmine—creating an elegant, clean, and feminine character. Ocean Lily evokes the feeling of a fresh sea breeze and a flower-lined coastline on the skin.
